

ACTIVATING PROPHETIC SONG SEMINAR

WITH **FAYLENE SPARKES**
SATURDAY, 18TH OF FEBRUARY 2012
SILVER WATER, SYDNEY

About the Seminar

Prophetic Song carries with it an anointing of breakthrough where God ministers through song in a unique way.

There are many aspects to the prophetic song including Songs of Deliverance, Songs of the Bridegroom & Bride and Love Songs.

This seminar, like all PAS schools, will have a combination of teaching and activations that will enable the student to gain confidence and understanding. A proficient singing voice is not required as God anoints the vessel.

OUR SPEAKERS

Faylene Sparkes is the founder of Gloryfire International Ministries and has been serving as a Pastor for fourteen years in Brisbane, and for the past twelve years has travelled Australia and New Zealand as an itinerant minister speaking at churches and conferences. One of her goals is to train up and teach on the gifts of the Spirit especially prophecy, as well as prayer, warfare and intercession. Her heart is to see the Body of Christ rise and break through the forces that hold it in bondage and enter into their God ordained freedom and destiny. Faylene ministers very powerfully in 'prophetic song'.

Lorelee Colley has a strong desire to see people equipped, trained and released into their calling. Lorelee, along with her husband Phil is a cofounder and Director of Prophetic Activation School (PAS). The purpose of the school is to train others to hear God's voice and to provide an alternative to those seeking the psychics. Phil and Lorelee have been involved in prophetic ministry for over 18 years and have ministered prophetically across Australia. Part of their purpose is to create awareness of and to see Integrity restored to the prophetic to honour God.

There is no registration cost for this seminar although an offering will be taken for the ministry.

Lunch will be available at a cost of \$15. Pre-registration is required by Monday the 13th February for catering purposes. Contact us if you have any dietary needs.
